

## **REMARKS**

### **A. Examiner Interview Summary**

Applicants thank Examiner Do for speaking to their representative, Mark Garrett, on June 2, 2008 about withdrawing the finality of the Action mailed on April 1, 2008 on the ground that the amendments presented in the previous response had not changed the scope of the amended claims. Examiner Do took the issue under advisement and issued the June 5, 2008 Action in which he withdrew the finality of the previous Action.

### **B. The Pending Claims Are Allowable**

In an effort to expedite allowance of this application, and without acquiescing to the Office's prior art or "essential steps" rejections, the rejected claims have been cancelled without prejudice to pursuing them in a subsequent continuing application. Only allowed claims 10, 17, and 27 remain.

### **C. Conclusion**

Applicants submit that this application is now in condition for allowance. Should Examiner Do have any questions, comments, or suggestions relating to this application, he is invited to contact Applicants' attorney at (512) 536-3031.

Date: November 5, 2008

Respectfully submitted,

/Mark T. Garrett/
